Greetings:

My name is Zobeida Medina Serrano. I am currently claim # 179433 and # 179428 of the case # 17BK 3283—LTS. I recently received a document, Annex A from the global objection, rejecting and dismissing my claim due to the claim being received out of the stipulated date for the claim.

I am objecting this dismissal because the claim was sent via mail on June 11, 2021 and because of the current pandemic the post service has delays in their deliveries, making it arrive to your offices on June 25, 2021. I am requesting a reconsideration of my claim and to not been dismissed from the case. The documentation sent during that date was to document better my case and to add my postal address because I was not receiving the correspondence from the case.

Kind regards,

  
Zobeida Medina Serrano
